ABOUT THE MPLA

The Medical Professional Liability Association is the insurance industry trade association that represents a full range of entities doing business in the medical professional liability (MPL) arena. These include domestic and international MPL insurance companies, risk retention groups, captives, trusts, and other entities.

The MPL Association promotes, protects, educates, and connects medical professional liability insurers that support the quality delivery of healthcare and practice of medicine.

MPL Association membership is open to MPL enterprises owned and/or operated by physicians, hospitals, health systems, dentists and oral maxillofacial surgeons, podiatrists, chiropractors, and healthcare providers such as nurse practitioners, nurse midwives, certified registered nurse anaesthetists, and many others, as well as insurance carriers with a substantial commitment to the MPL line.

MPL Association members insure nearly 2.5 million healthcare professionals around the world—doctors, dentists, nurses and nurse practitioners, and other healthcare providers. MPL Association members also insure 3,000 hospitals and more than 50,000 medical facilities and group practices globally.

AROUND THE WORLD, MPL ASSOCIATION MEMBERS INSURE:

Nearly 2.5 million healthcare professionals – doctors, nurses, dentists, oral surgeons, nurse practitioners, and other healthcare providers

More than 3,000 hospitals

More than 50,000 medical facilities and group practices

MEDICAL DEFENCE ORGANISATIONS IN AUSTRALIA

Four Australian medical defence organisations (MDOs) offer individual medical indemnity protection to their members, and these four organisations are jointly hosting the International MPLA conference. The MDOs operate on a not-for-profit basis as 'mutuals', with the insurance offered to their members underwritten by licenced insurers. The parent entities are Avant Mutual Group Limited (Avant), MDA National (MDAN), Medical Insurance Group Australia (MIGA) and Medical Indemnity Protection Society (MIPS).

ABOUT THE CONFERENCE:

Held every three years, the MPL Association International Conference attracts executives and leaders from the medical professional liability community from across the globe. In October 2022, the conference was held in Canada's capital, Ottawa, and was hosted by the Canadian Medical Protective Association (CMPA) on behalf of the MPL Association.

The MPLA Thrive25 conference, taking place in Melbourne, Australia, will bring together a global community of CEOs, COOs, chairs, board members and senior executives from the medical liability insurance and healthcare communities. Together, with respected experts in patient safety and risk management, corporate and defense counsel, professional services, university lecturers, physicians and various healthcare professionals, we will be exploring 'Adaptive Leadership in healthcare'.

MPLA Thrive25 will be held at the newly renovated Rydges Hotel in the culturally 'cool' city of Melbourne from Tuesday 21 to Thursday 23 October 2025. Embracing the Thrive25 theme, attendees will engage and contribute to pivotal discussions shaping the future of leadership in medical indemnity.

REASONS YOU SHOULD PARTNER WITH THE MPLA INTERNATIONAL CONFERENCE IN 2025

Jointly hosted by the four MDOs in Australia, the MPLA Thrive25 Conference is a strategic sponsorship investment that offers a range of benefits, from enhancing brand visibility and credibility to generating business leads and gaining valuable industry insights. It positions your organisation as a committed and influential player in the medical professional liability sector, fostering long-term growth and success.

Brand Visibility and Recognition

- **High-Profile Exposure:** Sponsorship ensures that your brand is prominently displayed throughout the conference, including in promotional materials, conference programs and on-site signage.
- **Audience Reach:** The conference attracts a diverse group of professionals, including insurance professionals, Medical Practitioners, Dentists and other healthcare professionals and legal experts. This exposure can significantly increase your brand's awareness within the medical professional liability sector.

Networking Opportunities

- **Industry Connections:** The conference provides a platform to connect with key decision-makers, industry leaders, and potential clients or partners in the medical professional liability sector.
- **Building Relationships:** Engaging with attendees during networking events, breakout sessions, and social activities helps in fostering long-term relationships and business opportunities.

Thought Leadership and Credibility

- **Showcasing Expertise:** Sponsoring the conference includes opportunities to present or participate in panel discussions, allowing your organisation to demonstrate its expertise and thought leadership in medical professional liability.
- **Building Trust:** Being associated with a reputable and respected conference enhances your organisation's credibility and trustworthiness in the eyes of the attendees and the broader industry.

Market Research and Insights

- **Understanding Industry Trends:** Attending sessions and interacting with attendees provides valuable insights into current trends, challenges, and opportunities in the medical professional liability field.
- **Feedback and Innovation:** Engaging with professionals in the industry can lead to feedback on your products or services, sparking ideas for innovation and improvement.

Business Development

- **Lead Generation:** Sponsorship offers direct access to a targeted audience, increasing the potential for generating high-quality leads and business inquiries.
- **Exhibition Opportunities:** Select sponsorship packages include exhibition space, allowing you to showcase your products and services directly to key decision-makers and industry professionals in the medical and legal communities.
